Groshek, J. "Coverage of Illusion: Framing the Pre-Iraq War Debate." Presented to the Association for Education in Journalism and Mass Communication, San Antonio, August 2005

****Won Second Place in Student Paper Competition***

Groshek, J. "Shifting Dissent: Media Coverage of the Decision to Go to War in Iraq." Presented to the International Communication Association, New York, May 2005

Invited presentations:

"Connection Technologies and Democracy." Roundtable participant (keynoted by Secretary of State Hillary Rodham Clinton), Washington DC, January 2010

"New Media Economics: Financially Sustainable Newsgathering and Information Flows." Have proposed, organized, and will preside at AEJMC panel, Denver, August 2010

"Public Sphere." Invited panel Chair at the Association of Internet Researchers annual conference, Milwaukee, October 2009

"Use and Impact of Online Social Networking." Invited panel Discussant at the Association for Education in Journalism and Mass Communication annual conference, Boston, August 2009

"Voter Learning, Campaign Interest, and Intention to Vote in the 2008 U.S. Presidential Election: Did the Media Matter?" Presented to the Center for Communication Research Seminar Series, City University of Hong Kong, June 2009

“News User Evaluations of Professional Journalism.” Invited panel Chair at the International Communication Association annual conference, Chicago, May 2009

“Research and Teaching: New Media and Political Change.” Presented to the Media and Communications Department, London School of Economics and Political Science, May 2009

“The Democratic and Economic Effects of the Internet, 1994-2003.” Presented to the Colloquium on Political Communication Research, Indiana University, February 2007

Research in progress:

Bucy, E. and Groshek, J. “Empirical Evidence for the Media Participation Hypothesis: An Analysis of National Election Surveys from 1992 to 2008.”

Research interests:

Political communication, new media effects on democracy at macro-social as well as individual-personal levels, application of econometric methods to mass communication theory and research, indexing and framing in different media platforms and outlets

PROFESSIONAL RESEARCH EXPERIENCE

Co-Primary Investigator (08/05 to present) Indiana University

- Coordinated surveys and built database of students’ ethical decisions, area of study, and class attendance for university-sponsored reaccreditation program, which has resulted in published manuscripts and presented conference papers

Roy W. Howard Research Assistant (08/07 to 05/08) Indiana University

- Assisted Dr. David Weaver on updating a new edition of *The Global Journalist* in addition to coding broadcast news coverage for multinational research endeavor with Dr. Akiba Cohen and Dr. Lars Wilnat

Personal Research Assistant (10/06 to 03/07) University of Mainz

- Assisted Dr. Hans Mathias Kepplinger in preparing “Reciprocal Effects: Toward a Theory of Mass Media Effects on Decision Makers” (2007) *Harvard International Journal of Press/Politics* 12 (2), 3-23 and “Media Effects—Overview” (2008) *The International Encyclopedia of Communication*

TEACHING EXPERIENCE

Instructor of record Erasmus University

<i>Course: Media and Politics</i>	(09/10 to present)
<i>Course: Quantitative Methods in Media and Communication</i>	(09/10 to present)
<i>Course: Media Audiences and Effects</i>	(09/10 to present)
<i>Course: Workshop Communication Management</i>	(09/10 to present)
<i>Course: Communication Technologies</i>	(09/10 to present)
<i>Course: Methods of Media Research (Graduate)</i>	(09/10 to present)

Instructor of record

Iowa State University

Course: JLMC 342—Principles for Visual Communicators (05/08 to 05/10)
Course: JLMC 315—Multimedia Production (08/08 to 05/10)
Course: JLMC 521—Theories of Communication (Graduate) (08/09 to 12/09)

Instructor of record

Indiana University

Course: J210—Visual Communication (Summer 06 and 07)
Course: C201—Hot Topics in Mass Communication (01/07 to 05/07)

Instructor of record

Marquette University

Course: CMST010—Introduction to Human Communication (08/01 to 05/03)

Pedagogical initiatives:

Founding member of the Intercollegiate Collegiate Online News Network (ICONN), which is a consortium of member schools and organizations that have created a converged wire service by sharing content and technology

“First Life Potential and Liability when Using Second Life in Academe.” Proposed, organized, and presided panel at AEJMC, Chicago, August 2008

“From Convergence to Emergence: Opportunities and Challenges in Teaching Journalism and Mass Communication Beyond Our Comfort Zones.” Proposed, organized, and presided panel at AEJMC, Washington DC, August 2007

Recent guest lectures:

“Preparing Flash Slideshows for the Web: An Introduction to Timelines, Text, Transitions, and User Controls.” Presented to Dr. Daniela Dimitrova’s Multimedia Production (JLMC315) course, October 2009

“The Medium or the Message? Perspectives on Audiences and Globalization in the 21st Century.” Presented to Michael Kapellas’s Hot Topics in Journalism and Mass Communication (C201) course, April 2008

“Questions and Answers in Qualitative Mass Communication Research.” Presented to Dr. David Weaver’s graduate-level Introduction to Mass Media Research (J500) course, November 2007

“A Primer in Statistical Data Analysis Techniques Using SPSS for Communication Research.” Presented to Dr. David Weaver’s graduate-level Introduction to Mass Media Research (J500) course, October 2007

“Freedom of Information, Global Media, and Democracy.” Presented to Dr. Betsi Grabe’s Introduction to Media and Society (T205) course, February 2007

Teaching interests:

Political communication, media effects, new media and democracy, advanced quantitative and econometric research methods, communication theory, conflict and media coverage

SERVICE ACTIVITIES

Actively review manuscripts for:

- *The International Journal of Press/Politics*
- *Mass Communication & Society*
- *New Media & Society*
- *International Journal of Public Opinion Research*
- *The Information Society*

- Journalism Studies Division of ICA
- Political Communication Division of ICA
- Communication Technology Division of AEJMC
- The Association of Internet Researchers
- International Symposium on Online Journalism
- International Conference on Journalism Research in the Public Interest
- New Media Theory Conference: How Far Have We Traveled?

Officer positions:

- Member of the Erasmus Research Centre for Media, Communication and Culture, July 2010 to present
- Midwinter Conference Chair, Communication Technology Division of AEJMC, August 2009 to present
- Online Newsletter Editor and Web Developer, Journalism Studies Division of ICA, May 2009 to June 2010
- Teaching Chair, Communication Technology Division of AEJMC, August 2008 to August 2009
- Professional Freedom & Responsibility Chair, Communication Technology Division of AEJMC, August 2007 to August 2008
- Membership Chair, Communication Technology Division of AEJMC, August 2006 to August 2007
- College Representative, Graduate and Professional Student Organization (GPSO), Indiana University, May 2007 to January 2008

Graduate Student Committees:

- Thesis committee member: Erin O’Gara (M.S., Mass Communication, 2009)
- Program of study/Dissertation committee member: Erin Phillips (Ph.D., Human-Computer Interaction, expected 2011)

Additional service activities:

- Invited sponsor of nominated International Communication Association Fellow, January 2009
- Conference Staff Volunteer, International Communication Association, Dresden, Germany, June 2006
- ESL (English as a Second Language) Tutor for non-native speaking Korean students, January 2006 to present

Recent popular press articles:

Groshek, J. (Fall 2006 to present). *Communication Technology Newsletter*. Available online at: <http://www.aejmc.net/ctec/txp/>

Quoted in Hanson, K. (26 October 2008). ISU journalists adjust to changing technology. *Ames Tribune*.

GRANTS AND HONORS

Financial awards:

- Research Grant (\$1250), College of Liberal Arts and Sciences Small Grant Competition, Iowa State University, October 2009
- Research Grant (\$3750), College of Liberal Arts and Sciences Small Grant Competition, Iowa State University, October 2008
- Research Grant (\$1000), Vice President for Research Office, Iowa State University, September 2008
- Research Grant (\$2500), Greenlee School of Journalism and Communication, Iowa State University, September 2008
- Dissertation Research in Aid Grant (\$650), School of Journalism, Indiana University, November 2006
- Thesis Research Grant (\$1000), Damm Foundation (outside of university award), November 2002

Research awards and invitations:

- Panelist on “Developing Ethical Theory Across the Field” Special Paper Call (Refereed), Media Ethics Division of AEJMC, August 2007
- Invited Panelist on Research Colloquium for Graduate Student Orientation, Indiana University, August 2007
- Second Place, Moeller Student Paper Competition (Refereed) in Mass Communication and Society Division of AEJMC, August 2005

PROFESSIONAL MEDIA EXPERIENCE

Editor and Graphic Designer (07/03 to 06/04) *Summit Company*

- Designed business to business publications in print and Web formats; maintained company database of thousands of clients' information
- Responsible for start-to-finish conceptualization, lay out, still photography, typography, image and artwork development
- Edited content for appeal, space, factual correctness, as well as grammatical, typographical, and structural errors

Section Editor (04/99 to 05/00) *The Stoutonia*

- Wrote and edited news stories and opinion features for the Student Life section of weekly collegiate newspaper
- Introduced new features and participated in redesign of page layout, fonts, formatting, and Website
- Hired, managed, and trained staff of writers and photographers in verbal and visual presentation skills
